

Prevention of illness after-effects and health problems in childhood in University Hospital Olomouc

The project registration no.: NF-CZ11-OV-1-012-2015

(information about launching of the project)

The project „Prevention of illness after-effects and health problems in childhood in University Hospital Olomouc“ was launched on January 14, 2015. A public commission was announced in an open proceeding for a supply of technical equipment required by the project. The commission was made public on the profile of the contracting authority and in the Tenders Electronic Daily.
